ROCHESTER, NEW YORK**

APRIL 1, 1925.

To the Trade:

This Bulletin shows Boxed Lots now in storage in St. Louis and Rochester. Offices in both places now open.

We take this occasion to inform our friends that our "High Boss" Mr. Henry B. Chase is taking a well earned vacation and is on a trip around the world. Will return about June first. Our St. Louis office this season will be handled by Robert C. Chase, Jr., who will do his best to serve you.

We cannot break packages.

A Code Word is given for each box. It will save time if you will use this word in ordering by mail as well as by wire.

Approximate weight of each package is shown so that you can figure intelligently on freight or express shipments.

Orders booked in rotation as received.

Always name second choice if possible.

We specialize on Rush Shipments. Our packing is all done and we can get a box out in a minute, but will hold if wanted to April 15. Storage at our expense.

On rush shipments, get your freight orders to us before 3:00 P.M., if possible, for shipments same day. Express orders will go out on night trains, if received by 4:00 P.M.

TERMS and Conditions of Sale: Cash with order where purchaser's credit is unknown to us. June first if purchaser is good and tells us so, with time to investigate references.

OUR REFERENCES: Any of the Larger Nurseries of the United States, any Bank or Business House in Huntsville, Alabama.

All stock is packed in paper lined boxes and held in uniform temperature of 34 degrees.

Condition of Every Box Guaranteed.

TO OUR SOUTHERN TRADE:

For years we have made a practice of sending our unsold surplus North at this season of the year in order to prolong our selling season, but wish to advise that we still have in our cellars at Chase a fair assortment of shrubs and can also supply a good assortment Conifers from field. See our regular trade list for prices. If you do not have copy will be glad to mail one on request.

Beg to call your attention to the following items which we can furnish in goodly quantities. Prompt shipment.
